

Back on Track
Final Program Report (April 1 – June 30, 2007)

Narrative Report Update:

During the quarter, we have strived to improve the program by:

- The hiring of our new Director of Criminal Justice and Community Reentry;
- Refocusing the FSA therapy component of the program;
- Initiating regular meetings with the leadership of the Strategic Partners;
- Program evaluation proposal initiated by the RAND Corporation;
- Initiating measures to ensure accurate data tracking thru METSYS;
- Expanding community partnerships for our participants; and
- Strengthening of our relationship with Child Support Services;

We look forward to continuing to:

- Develop a joint D.A./Goodwill fundraising strategy;
- Developing joint talking points;
- Integrating additional employment training services;
- Launching of Goodwill's new intake and assessment unit;
- Initiating the program evaluation with RAND;
- Improved data tracking and analysis; and
- Improving service delivery coordination;

Highlights From July 1, 2006 to June 30, 2007:

- **207 unduplicated participants were served**
- 210 attended orientation
- 123 unduplicated participants were “enrolled” or received intakes

CBO Collaboration

How many clients participated in BOT mental health programming?

Helen Singh: The number of clients on Helen's caseload has remained consistent at around **23 per month**. This includes a mixture of those receiving on-going therapy, those who have received assessments and been transitioned out, those who have been terminated, regular clients who have been transitioned out as their need for regular therapy has decreased.

April 2007: **1** mental health assessment was completed this month.

June 2007: **3** mental health assessments were completed this month.

July 2007: **5** mental health assessments were completed this month.

Martin Esquivel:

April: 8

May: 17

June 21
